

# Getting to Litfield House...

## From Wales / West (M49 / M5)

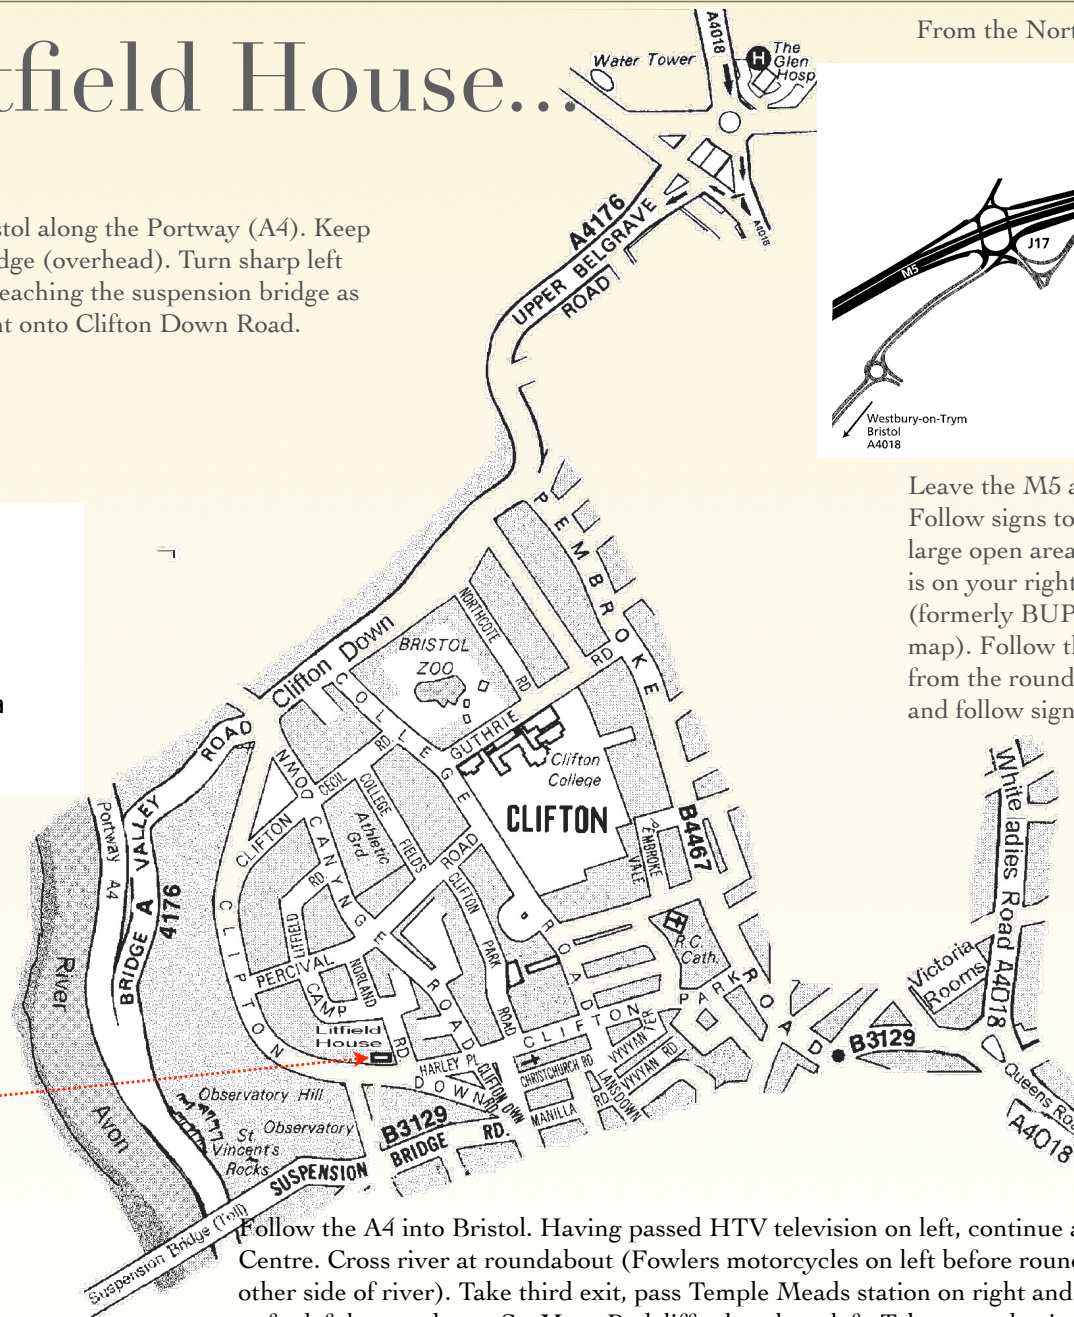

Leave M49 / M5 at Jn18 and follow signs for Bristol along the Portway (A4). Keep on Portway and watch for Clifton Suspension Bridge (overhead). Turn sharp left up Bridge Valley Road (steep hill A4176) before reaching the suspension bridge as main map. At top of Bridge Valley Road, turn right onto Clifton Down Road.

## From the South West (M5)

Leave the M5 at Jn19. Take the A369 to Bristol. Follow signs for Clifton via Suspension Bridge (have £1 ready for toll). Proceed across bridge as on main map.

Litfield House is the last house on the section of Clifton Down Road known as Litfield Place before it becomes Harley Place. It is on the corner of Camp Road and there is a red pillar box outside.

## From the North / East (M4/M5)

Leave the M5 at Jn17 and take the A4018. Follow signs to City Centre. After crossing large open area (The Downs), the Water Tower is on your right and the Spire Private Hospital (formerly BUPA Glen) on your left (see main map). Follow the short one-way system around from the roundabout at the hospital as on map and follow signs for the zoo (A4176),

Follow the A4 into Bristol. Having passed HTV television on left, continue along Bath Road towards City Centre. Cross river at roundabout (Fowlers motorcycles on left before roundabout / bridge. Car sales on left on other side of river). Take third exit, pass Temple Meads station on right and follow signs for City Centre. Keep to far left lane and pass St. Mary Redcliffe church on left, Take second exit at roundabout, then first exit (left) at next (smaller) roundabout. Follow signs for Clifton up Park Street (A4018). At top, keep left past the Wills Memorial Building (tall Gothic tower) on right. Proceed straight on following short one-way system which veers right then left. You are on Queens Road (on main map). Keep left past Victoria Rooms (large Palladian building) and turn right at mini roundabout into Pembroke Road. Take second left into Clifton Park as on map.
